BOOK SYNOPSIS

For readers of Maggie Nelson and Leslie Jamison, a fierce and dazzling personal narrative that explores the many ways identity and art are shaped by love and loss. In her critically acclaimed memoir, *Whip Smart*, Melissa Febos laid bare the intimate world of the professional dominatrix, turning an honest examination of her life into a lyrical study of power, desire, and fulfillment. In her dazzling *Abandon Me*, Febos captures the intense bonds of love and the need for connection -- with family, lovers, and oneself. First, her birth father, who left her with only an inheritance of addiction and Native American blood, its meaning a mystery. As Febos tentatively reconnects, she sees how both these lineages manifest in her own life, marked by compulsion and an instinct for self-erasure. Meanwhile, she remains closely tied to the sea captain who raised her, his parenting ardent but intermittent as his work took him away for months at a time. Woven throughout is the hypnotic story of an all-consuming, long-distance love affair with a woman, marked equally by worship and withdrawal. In visceral, erotic prose, Febos captures their mutual abandonment to passion and obsession -- and the terror and exhilaration of losing herself in another. At once a fearlessly vulnerable memoir and an incisive investigation of art, love, and identity, *Abandon Me* draws on childhood stories, religion, psychology, mythology, popular culture, and the intimacies of one writer's life to reveal intellectual and emotional truths that feel startlingly universal.

ABANDON ME MEMOIRS - Are you looking for Ebook *Abandon Me* Memoirs? You will be glad to know that right now *Abandon Me* Memoirs is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Abandon Me* Memoirs may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Abandon Me* Memoirs and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Abandon Me* Memoirs. To get started finding *Abandon Me* Memoirs, you are right to find our website which has a comprehensive collection of manuals listed.
