BOOK SYNOPSIS

****Now in development for a TV movie!**** Private investigator Franki Amato has just turned thirty, and she feels anything but festive. For starters, she can't have cake because she's given up sweets, and one of her teeth is torturing her. To add insult to birthday injury, she has to investigate a surreal strip club homicide—with her sixtyish ex-stripper landlady. Then her Sicilian grandma crashes the New Orleans non-party and insists that she steal a lemon to land a husband. Unfortunately for Franki, the man she has in mind has his mind somewhere else, and their relationship seems to have soured. Adding to her troubles, she has to figure out what a missing amber pendant and a mysterious amaretto bottle have to do with the murder, not to mention why she's being followed. When a second dancer goes down and a third is threatened, Franki turns to a weird witch to crack the case and cancel a curse before someone blows out her candles for good. Franki Amato Mysteries: Limoncello Yellow (book #1) Prosecco Pink (book #2) Rosolio Red (holiday short story) Amaretto Amber (book #3) "Andrighetti's dialogue is genuine yet uproarious, and her glowing characters animatedly leap off the page. Her sparkling wit keeps the hijinks brimming with merriment." —Long Island Book Reviews "Traci Andrighetti's Franki Amato Mysteries have me tickled pink! Her smart, sassy heroine, wacky cast of characters, and vividly original settings had me glued to the page. I can't wait to read more from this author!" —Gemma Halliday, New York Times bestselling author "Traci's writing is sharp and funny; the world she paints leaps off the page and makes the reader laugh out loud.... A thoroughly enjoyable new voice in fiction!" —Kristin Harmel, Internationally bestselling novelist (*The Sweetness of Forgetting*)
