BOOK SYNOPSIS

GORDON RAMSAYS HOME COOKING will give experienced as well as novice cooks the desire, confidence, and inspiration to get cooking and will offer simple, accessible recipes with a "wow" factor. Gordon has travelled the world from India and the Far East to LA and Europe, and the recipes in this book will draw all these culinary influences together to show us simple, vibrant and delicious recipes that reflect the way we eat today. For example: Miso braised salmon fillet with Asian vegetables, Pork and Bacon slider with home made bbq sauce, Curried Sweetcorn Soup, Wild Mushroom Risotto Arrancini, and Baked Lemon Cheesecake with Raspberries. Each chapter will concentrate on a different area of cooking--from the classics to the secret of cooking with Chili and spice, through roasting, baking, and helpful sections on cooking good food for less and cooking for a crowd. Woven into the book will be useful tricks and tips--from ways to save time and money, to cleaning and prepping ingredients, to pan frying like a pro. Stuffed full of delicious recipes, invaluable tips and lashings of Gordons trademark cheeky wit, GORDON RAMSAYS HOME COOKING is the ultimate cooking lesson from the ultimate chef.
